TO: REGISTERED WASTE TIRE HAULERS
FROM: WASTE TIRE HAULER PROGRAM
RE: TEMPORARY REGISTRATION OF ALTERNATE VEHICLES

Effective January 1, 2003 the Waste Tire Hauler Program will be implementing a new policy for Registered Waste Tire Haulers. The registered hauler may submit this form as a request for a temporary registration card for the use of an alternate tire-hauling vehicle. Upon the return of this form, the Board may issue a single temporary registration certificate, specifically assigned to the Registered Waste Tire Hauler, once the Board has deemed a new waste tire hauler application or renewal application complete. This certificate, for the use of a temporary vehicle, will bear the hauler's company name, address, registration number, and the year the certificate is valid, and will not be transferable to any other party.

The certificate shall be shown upon demand to any representative of the Board, any officer of the California Highway Patrol, any peace officer, as defined in Section 830.1 or 830.2 of the California Penal Code, or any local public officer designated by the Board.

If this certificate is used, the registered waste tire hauler shall notify the Board **in writing** within two (2) calendar days of the use and provide the following information:

- (1) The hauler's company name
- (2) The inoperable vehicle license plate # (if applicable)
- (3) The inoperable vehicle assigned Certificate # (if applicable)
- (4) The period of time the temporary registration is used
- (5) The reason for temporary use
- (6) The temporary vehicle license plate #
- (7) The make/model of the temporary vehicle

Should you have any questions concerning this form, please contact the Waste Tire Hauler Program staff at our toll-free number, (866) 896-0600
